HOW TO GET HERE

Important: Mobile phone coverage is only available in limited areas, after you leave Havelock North. Coverage ends, just as you leave Havelock North and as you turn onto Waimarama road. There is some GSM Vodafone coverage at Waimarama Beach.

From Havelock North 20-25 mins.

Drive straight through, following signs to Waimarama. This will take you onto Te Mata Road, past Black Barn Vineyards, Bradshaw Estate, Te Mata Estate Winery and fantastic homes. At the end of Te Mata Road, you will reach an X-road, turn right onto Waimarama Road. We're 20 kilometres from this point so allow 20 minutes from here.

Follow Waimarama Road all the way, passing Craggy Range Winery, crossing the Tukituki River. Just after crossing the bridge, follow the road to the right, and about 100 metres, the road forks. Follow Waimarama Road left up the hill. You will pass a small lake on your left with the Trading Post café & furniture shop opposite.

Continue down the road, ignoring the Maraetotara Road turn off, staying left. You will come to another junction; follow the road round to the right, ignoring the straight ahead to Ocean Beach. You are two thirds the way. Keep driving, the road winds a bit, you come up over a rise, and spread before you to your left is Waimarama Beach and Bare Island. About 500m from this point, on your right, is Peach Gully Cottage.

Come to the main homestead to register first, and Peach Gully Cottage is to your right.

Cheers,

Kristal & Craig Foss
